Pulliyalil (H) Kanakapalam p.o Mattanoorkara ,Erumely

PROFESSIONAL SUMMARY

Computer Science Engineering student skilled in python, C/C++,HTML,JavaScript and embedded systems.Experienced in full stack development and robotics-based projects

SKILLS

Technical Skills

- Programming Languages: C, C++, Python, Java
- Web Technologies: HTML, CSS, JavaScript, React
- Tools & Platforms: VS Code, MS Excel, PowerPoint

Soft Skills

- Photography, Quick Learner, Team Management, Problem Solving

EDUCATION

Bachelor of Technology in Computer Science Engineering

Mangalam College of Engineering, Ettumanoor

2022 – 2026 | CGPA: 7.52

Higher Secondary Education (Class XII)

SNDP HSS Venkurinji, Manipuzha

2020 – 2022 | Percentage: 85%

Secondary Education (Class X)

Nirmala Public School, Erumely

2020 | Percentage: 75%

PROJECT

NAVIA: Voice-Assisted Campus Guide Robot

- Developed a voice-assisted robot for campus navigation and guidance.
- Programmed robot functionalities using Python, C/C++, and Tkinter.
- Worked with Raspberry Pi, Arduino Mega, LCD, and motor modules.
- Tested system performance, identified errors, and corrected functionality issues.

Home Maintenance Service Provider

- Developed a web-based platform connecting users with home service providers.
- Implemented features for booking and managing services.
- Technologies used: React, HTML, CSS, JavaScript, and Python.
- Collaborated as part of a team project.

INTERNSHIP

PACELAB – Full Stack Development Internship

TEKLEARN – Full Stack Development and UI/UX Internship

NEXT GEN PRO – Data Science and Machine Learning Internship

CERTIFICATIONS

Basic of AutoCAD & SketchUp – Techmaghi

Full Stack Development Certification

UI/UX Certification

Data Science and Machine Learning Certification

ACHIEVEMENTS

Second Prize in Project Exhibition “Navia - A Voice-Assisted Campus Guide Robot

Second Prize in long jump at Labour India Inter School Athletic Competition

First Dan Black Belt – Japan Shotokan Karate Association Awarded by JSKA [2022]
